

Countywide Household Hazardous and Electronic Waste Collection Program

Residents may utilize the following weekly temporary events or permanent collection centers to dispose of Household Hazardous Waste and Electronic Waste (HHW/E-Waste) for free.

It is illegal to transport more than 15 gallons/125 pounds of HHW per vehicle.

July 2026

Protect Our Communities NEVER throw HHW/E-Waste into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drains-it is illegal-and HHW can seep into the groundwater, waterways and oceans, causing contamination of our drinking water, beach closures and health hazards to swimmers.
