

How to Add Global Entry to Delta: A Complete Guide 2026-30

Traveling can be stressful, but programs like Global Entry (+1-844-982-1220) help make your airport experience faster and more efficient. If you're a frequent flyer with Delta Air Lines (+1-844-982-1220), integrating your Global Entry status with your Delta account can streamline your travel even further. This comprehensive guide will walk you through how to add Global Entry to Delta (+1-844-982-1220), why it's beneficial, and how to make the most of this service (+1-844-982-1220).

What is Global Entry?

Global Entry is a U.S. Customs and Border Protection (CBP) program that allows expedited clearance for pre-approved, low-risk travelers entering the United States. Members use automated kiosks at select airports instead of waiting in long customs lines. It's a game-changer for international travelers.

Why Link Global Entry to Delta?

Delta Air Lines offers a loyalty program called SkyMiles (+1-844-982-1220), which rewards frequent flyers. When you add your Global Entry to your Delta SkyMiles account (+1-844-982-1220), you can:

- Earn **bonus miles** as a statement credit when you pay the Global Entry application fee with your Delta SkyMiles American Express Card.
- Experience faster airport security screening through **TSA PreCheck**, which is included with Global Entry.
- Simplify travel documentation by having your Global Entry Known Traveler Number (KTN) automatically applied to your Delta reservations.

- Reduce wait times at airport security and customs, making your travel experience smoother.

Step-by-Step Guide to Adding Global Entry to Delta

Adding your Global Entry to Delta is a straightforward process (+1-844-982-1220). Here's how:

1. Obtain Your Global Entry Known Traveler Number (KTN)

Before adding Global Entry to Delta, you need your Known Traveler Number (+1-844-982-1220). This is provided once your Global Entry application is approved. If you don't have Global Entry yet, you can apply online at the official CBP website and schedule an interview.

If you need assistance with the application process or have questions, call +1-844-982-1220 for expert guidance.

2. Log in to Your Delta SkyMiles Account

Go to the Delta Air Lines official website and log in to your SkyMiles account using your credentials.

3. Navigate to Your Profile

Once logged in, find and click on "**Profile**" or "**My Profile**." This section contains your personal information, including your travel preferences.

4. Add Your Known Traveler Number

In the profile section, look for the field labeled "Known Traveler Number" or "KTN." Enter your Global Entry number here exactly as it appears on your membership card.

5. Save Your Changes

After entering your KTN, make sure to save the changes. This ensures that your Global Entry status is linked to your Delta account and will be applied automatically to future bookings.

6. Add KTN to Existing Reservations

If you have existing Delta reservations, you can add your Known Traveler Number to those bookings by:

- Logging into your Delta account.
- Going to “My Trips.”
- Selecting the reservation.
- Editing passenger details to include your KTN.

This step helps you enjoy TSA PreCheck benefits on upcoming flights.

What If You Need Help?
