Missed Flight Policy and No-Show Rules

+1-844-982-1220 (**US**) +44-203-868-6110 (**UK**) The American Airlines missed flight

policy is closely tied to the airline's no-show rules, which are designed to protect the

+1-844-982-1220

(**US**) +44-203-868-6110 (**UK**) If you experience an American Airlines missed flight and do

not notify the airline before departure, you will be marked as a "no-show," which has

several important consequences. +1-844-982-1220 (**US**)

+44-203-868-6110 (**UK**)

First, you will be subject to a no-show fee, which is a penalty for not canceling or

changing your booking in advance of an American Airlines missed flight.

+1-844-982-1220 (**US**) +44-203-868-6110 (**UK**) Second, and

perhaps more

importantly, an American Airlines missed flight will automatically cancel all remaining

flights on your booking, including return flights and connecting segments.

+1-844-982-1220 (**US**) +44-203-868-6110 (**UK**) This means that if you miss your

outbound flight, your return flight will be cancelled unless you contact the airline

immediately to address the American Airlines missed flight situation. +1-844-982-1220

(**US**) +44-203-868-6110 (**UK**) To avoid these penalties, you should always inform

you will not make it. +1-844-982-1220 (**US**) +44-203-868-6110 (**UK**)
